Dear Valued Customers,

As a Converted Paper Products Manufacturer, Material Concepts is permitted to operate as we manufacturer products that are necessary in many industries such as personal protection equipment for the medical field and first responders.

We are taking all necessary steps to protect our employees to ensure that they can continue to work safely.

We are following the recommendations from the CDC and WHO as well as those from the PA Governor's office, and Office of the Mayor of Philadelphia so that we can do our part in preventing the spread of COVID-19. We are all in this together.

Thank you for your trust in Material Concepts – Stay Safe.
